

# Mountain Goats Walk

**WALK** the mountains,  
**SEE** the goats,  
**TASTE** the cheese.

Marie, *Burren Experience Guided Walks*, will guide you to the mountain and tell you the story of how her ancestors farmed the land and were almost self-sufficient.

Follow the goat trail to Melissa's goat farm. Witness how Melissa farms, tends to her goats and makes cheese from their milk.

Visit the tea-house for some homemade bread and cheese tasting.
